All Purpose Cleaning spray

Mix in a 32 oz spray bottle
8 oz. Lemon juice
8 oz. White vinegar
Top off with filtered water
8 drops Dr. Bronner's unscented castile soap
Shake and spray. Very versatile cleaner, it is even great to clean the grill!

Cleaning paste for tub and sink

Glass jar or bowl to mix and store
3/4 rounded cup baking soda
1/4 cup unscented liquid castile soap
1 tablespoon water
1 tablespoon vinegar
8 drops Lemon or Wild Orange Essential Oil

Directions: Combine baking soda and castile soap, add in water and stir.
Add vinegar and essential oil.
The consistency should be of a soft paste. Add a small amount of additional water or baking soda to get proper consistency. Store in an airtight container.
Use a cloth to spread on the surface, allow it to sit 10 minutes and then wipe it all off with a wet cloth.
This is great for getting rid of soap scum, removing stains, brightening your tub and tile as well as cleaning the toilet. It can also be used in the kitchen sink and to clean the refrigerator.
